The Staff at Rosebud Primary School are supporting the MOvember Foundation’s push to raise as much funds as possible to support MENS HEALTH. We are supporting the Foundation in a number of ways: Some by growing moustaches, others by becoming more active during the month of MOvember and also by hosting a day of celebration to raise awareness and much needed funds for a very worthy cause.

Our day at Rosebud P.S. is on **MONDAY 28th November** which will be a: **STUDENT CASUAL DRESS / WEAR A MO-DAY (Gold Coin Donation) & STAFF MO-MORNING TEA with all Proceeds to the Rosebud P.S. Mo-vember Fundraising Mo-team)**… We will also be having a school assembly this day and who knows, maybe some staff will be brave enough to shave off their MO in front of an audience.

We also have a Rosebud P.S. MO-Fundraising page (**http://moteam.co/rosebud-primary-school**) where you can show your support or make a donation.

**Our goal is to surpass the $1000 mark.**

Regards,
Leigh McQuillen
Assistant Principal

Below is some information from the MOvember Website:

Our fathers, partners, brothers and friends face a health crisis that isn’t being talked about. Men are dying too young. We can’t afford to stay silent.

**That’s why we’re taking action.**

We’re the only charity tackling men’s health on a global scale, year round. We’re addressing some of the biggest health issues faced by men: prostate cancer, testicular cancer, and mental health and suicide prevention.

We know what works for men, and how to find and fund the most innovative research to have both a global and local impact. We're independent of government funding, so we can challenge the status quo and invest quicker in what works. In 13 years we’ve funded more than 1,200 men’s health projects around the world.

**By 2030 we’ll reduce the number of men dying prematurely by 25%.**

Help us stop men dying too young. Join the movement.
