If you need help to understand the information in this policy please contact Rosebud Primary School office on 5986 8274.

Our Child Safe Code of Conduct sets out the expected behaviour of adults with children and young people in our school.

All staff are Rosebud Primary School, volunteers, contractors, service providers, school council members and any other adult involved in child-connected work must follow the Child Safety Code of Conduct.

Rosebud Primary School is committed to the safety and wellbeing of children and young people. Our school community recognises the importance of, and a responsibility for, ensuring our school is a safe, supportive and enriching environment which respects and fosters the dignity and self-esteem of children and young people, and enables them to thrive in their learning and development.

This Code of Conduct aims to protect children and reduce any opportunities for child abuse or harm to occur. It also assists in understanding how to avoid or better manage risky behaviours and situations. It is intended to complement child protection legislation, Department policy, school policies and procedures and professional standards, codes or ethics as these apply to staff and other personnel.

The Principal and school leaders of Rosebud Primary School will support implementation and monitoring of the Code of Conduct, and will plan, implement and monitor arrangements to provide inclusive, safe and orderly schools and other learning environments. The Principal and school leaders of Rosebud Primary School will also provide information and support to enable the Code of Conduct to operate effectively.

The Child Safety Code of Conduct applies to all physical and online environments used by students. It also applies during or outside of school hours and in other locations provided by the school for student use (for example, a school camp).
